PROFESSIONAL SUMMARY

Frontend Engineer with 2+ years shipping production React.js and Next.js applications, with a strong eye for design and obsessive attention to pixel-perfect detail. Skilled at converting Figma designs into responsive, reusable components and optimizing Core Web Vitals (LCP, FID, CLS) for real-world traffic. Experienced integrating REST APIs, building admin dashboards, and collaborating with designers and backend teams in Agile environments.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3

Frameworks & Libraries: React.js, Next.js, Tailwind CSS, Bootstrap, Framer Motion

Performance & Quality: Core Web Vitals optimization (LCP, FID, CLS), responsive design, technical SEO fundamentals, code review

Backend & APIs: Node.js, Express.js, MongoDB, Mongoose, MongoDB Atlas, REST APIs

Tools & Platforms: Git, GitHub, Figma, VS Code, Webpack, Vite, npm, Postman, Vercel, Render

WORK EXPERIENCE

Frontend Developer

Nov 2025 – Aug 2026

Innovins Technologies | Mumbai, MH

- Build responsive, pixel-perfect UI components in React.js and Next.js, translating Figma designs into production code.
- Integrate REST APIs and admin panels, working closely with backend developers to ship reliable data-driven features.
- Improve website performance and resolve UI/UX issues to keep pages fast and visually polished.
- Collaborate with designers and developers in an Agile environment, participating in PR review and code quality discussions.

Frontend Developer

Jun 2024 – Nov 2025

Yuva Nexus Technologies | Pune, MH

- Developed frontend applications using Next.js, React.js, and Tailwind CSS with a focus on responsive, reusable UI.
- Built admin panels and integrated APIs for dynamic data handling across multiple product surfaces.
- Converted Figma designs into pixel-accurate, responsive web interfaces.
- Worked on component reuse and performance optimization to improve load times and rendering efficiency.

PROJECTS

Job Portal Web Application | Next.js, React.js, Tailwind CSS, Node.js, Express.js, MongoDB

- Developed a full-stack job portal with separate user and admin functionalities.
- Implemented user authentication and authorization with protected routes.
- Built features including job listing, job search, job applications, and user dashboard.
- Developed RESTful APIs using Node.js, Express.js, and MongoDB for users, jobs, and applications.
- Created a responsive, reusable, pixel-accurate UI using Next.js, React.js, and Tailwind CSS.
- Developed an admin dashboard to add, edit, and delete jobs, users, and applications.

Wellness Forever Website | Next.js, Tailwind CSS, Axios

- Developed a responsive, performance-optimized website using Next.js and Tailwind CSS.
- Integrated CMS REST APIs using Axios for dynamic content.
- Built admin dashboard UI for managing website content, with reusable components and responsive layouts across pages.
- Connected admin-managed CMS data with the frontend for seamless content updates.

EDUCATION

Bachelor of Computer Science (B.C.S.) — Computer Science

Dr. Babasaheb Ambedkar Marathwada University | Graduated: June 2024

CERTIFICATIONS

- Seven Mentor — Frontend Developer Certification (2023)
